

Death by Chocolate

by Denise Wallentinson

Ingredients:

1 chocolate cake mix
3 pkgs. of Jello chocolate mousse
4 Heath or Skor bars (freeze then crush)
(or use Heath Sensations pieces)
2 containers of La Crème (or rich Cool Whip)
½ cup of Amaretto or Kahlua

Directions:

Bake cake in 9x13 pan. Cool slightly. Poke holes throughout it with a fork. Pour the liquor over the cake. Break the cake into rough pieces.

Make the mousse according to the package instructions.

In a large bowl or cake pan (glass looks best) put layers of cake, mousse, candy, whipped cream. Then another layer of cake, mousse, whipped cream, and end with candy sprinkles.

If you don't have a container large enough, use two containers. One for company and one for you!
