

4-Bean Salad

by Gladys Taber's Stillmeadow Cook Book

Ingredients:

1 can green beans, drained
1 can golden wax beans, drained
1 can garbanzos, drained
1 can red kidney beans, drained
1 lg. onion, thinly sliced
1 lg. green pepper, thinly sliced
½ cup vinegar
½ cup sugar (can skimp on this)
½ cup salad oil
Salt, freshly ground pepper

Directions:

Drain beans, saving liquids for soup. Add onion and pepper to beans in large bowl; mix well. Make dressing over salad mixture and let stand overnight in fridge. Before serving, add salt and pepper.

It's easy to forget the salt and pepper. This is quite wonderful with King Ranch Chicken, by the way when you are getting fancy.
